14. To add classrooms, scroll down and click on the **Add Classroom** tab to add classrooms.
15. This will take you to the Classroom Manager page. Under the General Information section, add classroom name and start date for the classroom opened.

**General Information**

If you are unsure about start date, simply enter today's date. If the classroom opened when the program opened, use that date. We recommend using a classroom name that will be consistent over time. If classroom names change frequently in your program, we recommend you name classrooms based on age groups.
